HAZARDOUS ACT OF

London, Oct, 8, 9.50 p. m .- The ef- | a German mother and married to forts of Austria and Germany to force their way through Serbia to reach the near-eastern seas and join hands with their Turkish allies have produced one of the most interesting situations of

Austro-German troops already have gained a footing on Serbian territory, but they have not as yet come into touch with the main Serbian army, which is entrenched in the mountains just beyond the rivers, while the An-gio-French force which was landed at Saloniki is making its way northward to assist the Serbs and to protect Macedonis from a threatened Bulgari-

Greece Favors Allies. The landing of British and French troops is proceeding despite the change in the Greek government. The ministers of the entente powers at Athens have asked Greece to define her policy with regard to the Balkan situation, but the new premier, Alexander Zaimis, has answered that he will be unable to do this until a meeting of the cebinet is held. There is, however, evidence that Greece will maintain a policy of benevolent neutrality toward the alles.

The press and public of London and Paris, with the experience of the sud-Paris, with the experience of the sud-

Paris, with the experience of the sudden change in Bulgaria's attitude fresh in their memory, are demanding that steps be taken to see to it that a similar change does not take place in the planted to destroy that but abandoned the idea because of the presence of enemy workmen. day will cease in the company's other the presence of t similar change does not take place in of the presence of enemy workmen. Athens. It has been suggested that the appearance of an allied fleet in the appearance of an allied fleet in the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the appearance of an allied fleet in the campany's of the presence of enemy workmen. He then selected a brick culvert under plants.

Bulgarian ports in the Aegean and Black seas and in view of the possi-bility of a Russian landing on the Black sea coast of Bulgaria, it is stat-ed that a Turkish army is being sent called upon to fight their old friends

allies in the new venture forced upon them in the Balkans is not disclosed, nor has any change in the policy of

The German press suggests that the likes, despite the landing of troops in Saloniki, are preparing for more en-ergetic operations against Turkel in the hope of smashing her before Ger manic assistance arrives and that Italy may take part in these operations.

News of Other Battle Fronts. There still are three months of good weather ahead for any move against the Dardanelles or for operations in other parts of the Aegean district, while the Russians under Grand Duke ially captured and those who entered Serbian territory across the Save have met with enormous losses, according to an official despatch received tonight by the Serbian legation at Nish.

The despatch says: "On the northern frontier the enemy has crossed the Save at Yarak, the Isle of Prograska, at Zabrez, opposite Ostrusnitza and at the great isle of Ciannaga and on the Danube at the Belgrade fortress, at the Quay and at Ram Nicholas are expected to force matters in the Caucasus and the British to push along to Bagdad. A new offensive

With Polish mud again clogging the wheels of the armies, it is doubtful shether either side will be able to make an important move for some weeks. But winter, with its hard, frozen ground, is expected to bring a senewal of the offensive by one side or

ect of the submarine warfare there.

Irtually all German shipping in that
uarter is being held up by British
nd Russian underwater craft and the
erry services between Germany and
candinavia are being carried on by
autral vessels.

## BREAT BRITAIN'S DIPLOMATIC

Bridge Collapsed, Nine Persons Killed Berlin, Oct. 8 (by wireless to Tuck-erton, N. J.)—A bridge in course of construction across the Oder river near Fuerstenberg, Prussia, collapsed today. Vine persons were drowned.

HEALTHIER TONE SHOWN IN THE STOCK MARKET Heavy Dealings in Standard Railway Securities.

New York, Oct. 8.—A much health-ier tone was shown in today's strong and active stock market than for some tome past, one of the chief fea-tures being subordination of specali-ties and heavy dealings in standard railway securities railway securities.

Trading in war stocks, however, was

by no means negligible. The leaders opened strong and recorded gains in the early trading, Bethlehem Steel topping all former records with a rise to 459, nine and one-half points above yesterday's high price. This gain, however, was lost during later trading, the stock closing at 440, nine and one-half points under vectoriay's ne-half points under yesterday's Apart from the trading in favorite

war specialities was the spectacular rise of 68 3-4 points in General Chem-ical, whose stock went to 360. Deal-ings in this issue were small, the ad-vance being attributed to reports that a large extra dividend would soon be declared.

Railway stocks led in the trading all the way, healthy advances being recorded in the Hill and Harriman stocks, New York Central, Pennsylvania, New Haven, St. Paul and other issues. The feature of today's trading in rolls was the advance of 7.5. ing in rails was the advance of 7 5-8 points in Reading which touched 162 1-2, with sales of 145,000 shares. The coppers, likewise, were upward bound and registered advances.

Volume of trading was very undiminished. Total sales of 1,375,000 shares were recorded. This was the tenth consecutive day of full trading where the volume had been about the same.
